ORDER

The United States Magistrate Judge made findings, conclusions and a recommendation in this case. Defendant filed objections, and the District Court has made a *de novo* review of those portions of the proposed findings and recommendation to which the objections were made. The objections are overruled, and the Court ACCEPTS the Findings, Conclusions and Recommendation of the United States Magistrate Judge.

IT IS THEREFORE ORDERED ADJUDGED AND DECREED that Defendant's motion to Compel Enforcement of Sentence or to Correct Sentence under Fed. R. Crim. P. 35(a), (docket entry 36), is DENIED, his claim for correction of time credits, (docket entry 36), is construed as a petition for writ of habeas corpus under 28 U.S.C. § 2241, and the § 2241 petition is dismissed for lack of jurisdiction.

The Clerk of Court is directed to open a new civil action and file Williams's motion, (docket entry 36), in that action (nature of suit 530), with direct assignment to District Judge Fish and Magistrate Judge Rutherford for statistical purposes.

SO ORDERED.

April 9, 2020.

A. JOE FISH
Senior United States District Judge
